Goals / remit

Goals / remit of the organisation: **The objectives of the DSCC in the EU are:**

- Securing protection for vulnerable deep sea ecosystems and ensuring sustainable deep-sea fisheries;
- Substantially reducing the greatest threats to life in the deep seas; and
- Safeguarding the long-term health, integrity, and resilience of deep-sea ecosystems.

The organisation's fields of interests are:

- global

Number of persons engaged in activities falling under the scope of the Transparency Register

Number of persons: 14

Complementary information: The DSCC consists of more than 70 organizations worldwide, including NGOs, fishworkers organizations and law and policy institutes. We also work in close cooperation with major national and international players on high seas conservation. However, most of our colleagues work within the parameters of their own organizations, which means that DSCC staff numbers are small.
